If yes, you will need to get the notes from that doctor.

If you answered yes to any question you must call the appointment secretary to approve your appointment. Leave a message and they will get back to you. If you do not call you may be turned away on the day of your appointment.

I have answered these questions to the best of my ability. I also understand that Dr. Helen Harmon, Dr. Kyle Harner, and Dr. Robert Oglesby do not see patients that have any open cases or that have been to a pain clinic.
